FEATURES AND BENEFITS

Environmentally friendly: A.P.E. free.

Contains no solvents: Harmless to colourfast carpets.

WHERE TO USE

For use on all types of carpeting, especially where there is heavy traffic. Recommended for use on colourfast fabrics only. To test for colourfast fabrics, apply in a hidden area. Using a clean white cloth, wipe solution into fabric. If no colour is removed, proceed with cleaning.

HOW TO USE

Absorb as much of the stain as possible with a cloth initially. Spray directly or apply to a white cloth and then apply to the stain.
