

Eliminate

Spec Sheet

Complete disinfection in 4 minutes!

	Eliminate (DIN 02459507)	
Product Code	Eliminate	53377
Description	<p>One Step Cleaner, Disinfectant, Virucide and Deodorizer</p> <p>Eliminate is a one-step disinfectant wipe, with no need to pre-wash or rinse the surface. It handles daily cleaning and disinfection without requiring additional sprays, sponges or buckets. Eliminates 99.9% of contaminants in just 15 seconds and complete disinfection in only 4 minutes; giving you the peace of mind that your surfaces are free of bacteria, viruses and fungi. The fast and efficient formula makes it ideal for busy environment where there is no time to waste on slow disinfecting time. The textured fabric of the wipe makes it ideal to absorb the chemistry, while capturing the dirt, bacteria and viruses without smearing them. Easy to use, its safe formula can be used on a wide variety of non-porous surfaces in both health care and non-health care settings.</p>
