

The Dustbane Way

Cleaning a Bank

Cleaning a bank begins with a simple program. Ask us about a custom program that will meet your individual needs. Here is our baseline recommendation.

1

Glass & Chrome Cleaner: Bio-Bac Free

Clean windows make a good first impression and set the tone for the rest of the facility. Bio-Bac Free allows for streak-free shine on windows, mirrors, chrome and stainless steel. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:256.
- Available in 4 L.

4

Disinfectant Cleaner: Oxy-Q

Improve your clients' experience with a safe, clean bank. Oxy-Q uses the power of hydrogen peroxide to thoroughly disinfect all surfaces without a harsh chemical smell. Use on all high-touch surfaces or where cross-contamination is a concern. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:80.
- Available in 4 L.

2

Multi-Purpose Cleaner: Bio-Bac Free

Bio-Bac Free attacks soils and odours at the source, continuing the cleaning process for hours, or even days after the application. Safe and ideal for all washable surfaces, making it the perfect product to reduce your inventory. A natural formula with no fragrance or dyes. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:80.
- Available in 4 L.

5

Floor Cleaning: Micro-5

Our lightweight, easy to maneuver Micro-5 will wash your floors in difficult to reach areas while enhancing productivity in small spaces.

- Height-adjustable handle
- 11" scrubbing pad

3

Easy Filling and Pouring: Buddy Jug

This commercial-grade 20 L jug is user-friendly for easy filling and pouring of diluted chemicals into spray bottles. The jug is translucent so you can quickly see what's inside. Ideal for storing liquids on a shelf.

6

Portable System: RiteFlex

No wall space available? The RiteFlex offers a portable means of accurately diluting concentrated cleaning products to fill mop buckets, sinks, auto-scrubbers, tanks and other containers.
