

The Dustbane Way

Cleaning a Fitness Centre

Cleaning a fitness centre starts with a simple program. Ask us about a custom program that will meet your individual needs. Here's our baseline recommendation.

1

Neutral Detergent: Film Away

A neutral detergent that works on both floors and carpets to remove residue left behind from floor strippers, ice melter and hard water build-up to extend the life of your flooring. Film Away's neutral pH formula is an excellent multitask cleaner that offers superior cleaning power. UL ECOLOGO® Certified.

- Dilute in cold water at a rate of 1:80.
- Available in 4 L.

2

Disinfecting Wipes: Eliminate

Fitness centers can be a dirty place. This area, where many people are sweating on equipment, creates an environment that may as well be a playground for bacteria, viruses and other troublemakers. Having readily available disinfecting wipes to wipe down the equipment after each use will encourage patrons to clean the equipment and maintain the sanitary standards of your facilities. DIN: 02459507.

- Ready-to-use.
- 6" x 7" wipes (180 wipes per container).

3

Disinfectant: UniTab

UniTab is a bleach alternative that offers fitness centres a quick means of sanitizing or disinfecting without leaving behind harsh fumes. UniTab also works as an excellent deodorizer that can combat odours. DIN: 02470381.

- Dilute 2 tablets per 1 L of water for disinfection.
- Dilute 1 tablet per 20 L of water for sanitizing.
