The Targa Difference

Targa vacuums are designed for a cleaner, healthier environment. These dry and wet canister vacuums get the job done quickly and efficiently. The Targa Series is made in Canada and feature a clean air filtration system. The non-tipping, five-wheel mobility makes them an exceptionally user friendly vacuum, even on rough and uneven floor surfaces. Their 50 foot cord allows for large surface areas to be cleaned with few “unplug, plug-in” work-stoppages. Targa vacuums are high efficiency due to high performance motors and filter systems.

Injection Molding Triax Heads

35 to 50 Foot Power Cord

Quiet and LED-EB Compliant
with noise levels below 72 dB

New!
Universal Motor
Improved performance

Clean Air Filtration System
with HEPA Cartridge filter available

Lightweight

Many Sizes Available

Heavy Duty

Hooded Ball Caster
For both carpets and hard floors

Front Mount Squeegee system picks up water faster than a hose and wand. Maneuvers right up to the wall and into corners, picking up in forward and reverse motions.
XL 18 Tip & Pour and PC-3

Canister Vacuum Filtration Efficacy at 0.3 Microns

Dustbane's Targa vacuums have a rugged, non-corrosive construction and are chemical resistant to exceed the most demanding cleaning requirements in these times of environmental awareness.

The hi-tech, superior performance Targa vacuums are lightweight, offer smooth tracking, are non-tipping and easy to handle. Building occupants will appreciate the low, smooth sound.

Targa vacuums are available in a wide range of sizes to ensure you choose the model that best suits your cleaning needs.

Targa Series – Tool Kits & Accessories

Tool Kit #1

For the Enviro Vac and Targa 330

Code	Item
28631	Tool Kit #1
28906	Floor Tool 1 ^{1/4} "
28999	Dusting Brush 1 ^{1/4} "
28998	Upholstery Tool 1 ^{1/4} "
28997	Crevice Tool 1 ^{1/4} "
28994	Pistol Grip 1 ^{1/4} "
29007	Collapsible Wand 1 ^{1/4} "

Tool Kit #3

For the Targa 990, XL 12, XL 18 Tip & Pour and PC-3

Code	Item
28633	Tool Kit #3
28802	Double Curve Style Wand 1 ^{1/2} "

Canister Vacuums

*New universal motor in every model!
Better performance, more suction and quieter!*

Wet/Dry Canister Vacuums

Clean-Air Filter System

The triple filter system includes a permanent four layer fabric filter, a replaceable Clean-Air paper dust bag and an optional HEPA hospital grade filter. The Clean-Air Filter System retains 99.9% of all dirt, dust, and bacteria down to a 0.3 microns. Indoor air is significantly improved for everyone by the removal of irritating micron sized particles.

Ultra Quiet

Special acoustic materials and low sound design allow operation in sound sensitive areas.

Ease of Operation

Lightweight construction, super flex hose, swivel inlet, dual contact casters and non-tipping design make the Targa a pleasure to handle and operate.
