

Doodle Buster

The ultimate graffiti remover

About this product

Doodle Buster removes marks from spray paint, markers, ink, lipstick from a wide range of hard surfaces such as cement, brick, metal and other washable surfaces. Its high foaming formula clings to vertical surfaces, provides optimal coverage and longer dwell time for superior results. Although it's ideal for new and old graffiti stains, it can also be used for hard surface cleaning, degreasing, carpet cleaning and pet stains. Its environmentally conscious formula is a safer alternative to paint thinner, toxic acids, acetone and solvents – presenting minimal risks to the end user.
