

Aquascent RTU

Water Soluble Deodorizer

About this product

Dustbane's water soluble deodorizer, now available in a ready-to-use 1L format. Utilizing advance technology and premium natural fragrance oils our deodorizer effectively eliminates unpleasant odours. Ideal for neutralizing the harsh chemical smells often found in cleaning solutions, leaving a lasting and pleasant fragrance that enhances any space. It is a safer and more environmentally friendly option compared to metered aerosols air fresheners. Aquascent RTU delivers effective odour neutralization without compromising on safety or sustainability.

CONCENTRATE**

Premium Natural Fragrance Oils: Infused with high-quality natural scents for a long-lasting, refreshing aroma.

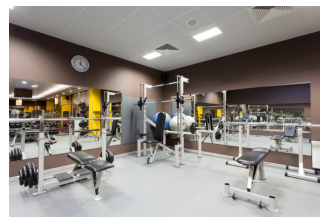

Advanced Odour Elimination: Effectively neutralizes chemical odours and other unpleasant smells.

Ready-to-Use Convenience: Comes in a 1L spray bottle for easy application and immediate results.

Versatile Usage: Can be used as an air freshener or added to cleaning solutions for enhanced freshness.

Long-Lasting Performance: Provides a persistent and enduring scent, maintaining a pleasant atmosphere over time.

Eco-Friendly Formulation: Safe for use in various environments, reducing the impact on indoor air quality.

Switch to sustainable choices

Aquascent RTU is your safer choice to metered aerosol air fresheners. Its liquid formulation reduces the risk of inhalation and exposure to harmful fumes, making it a safer choice for end-users. With lower VOC content and non-pressurized packaging, Aquascent RTU minimizes environmental impact while delivering the same results.
