

Floor Maintainers

Add a touch of gloss

About these products

Floor maintainers can considerably improve cleaning standards and also achieve cost savings. A maintainer is a combination of detergent and wax polymer which cleans, enhances slip resistance, removes black marks and scuffs while building gloss on hard floors.

- Enhances gloss and slip resistance in one easy step
- Increases COF
- Cleans and shines quickly – saving time and money
- Repairs scratched, marked and worn floor finish
- Keeps floors at their peak appearance
- Easily removes soiling and scuff marks from the floor
- Versatile – suitable for spray buffing or with a mop
- May be buffed for high gloss
- Suitable on most types of flooring
