

M11 Degreaser

Heavy-Duty Cleaner & Degreaser

For use with the ModularFlex System

About this product

M11 is a non-corrosive, heavy-duty degreaser designed to cut through stubborn grease, oil, and grime without damaging surfaces. Its biodegradable formula lifts and removes buildup quickly and safely—ideal for industrial and food service environments. Whether used on floors, hard surfaces, or equipment, M11 delivers powerful degreasing performance with a rinse-free finish. ECOLOGO® certified and compatible with the Green Eco Easy Fill station, it supports safe, sustainable, and efficient cleaning.

Tough on Grease, Gentle on Surfaces

- Heavy-Duty Performance: Dissolves oil, grease, and baked-on soils fast.
- Non-Corrosive Formula: Safe for use on most hard surfaces including equipment and floors.
- No-Rinse Required: Streamlines cleaning without compromising results.

Reliable and Efficient

- Fast-Acting Results: Works in 2–5 minutes, reducing labour and scrubbing.
- Rinse-Free Convenience: Wipe clean for light jobs; rinse only when required (e.g., food contact surfaces).
- Flexible Application: Works with spray bottles, mops, autoscrubbers, and cloths.

Eco-Friendly and Safer Choice

- Biodegradable Ingredients: Reduces environmental impact.
- UL ECOLOGO® Certified (UL 2759): Meets sustainability criteria for safer cleaning practices.
- Green Eco Easy Fill Compatible: Simplifies storage, dispensing, and dilution.

Dilution rates:

Light Duty Cleaning	1:256
Normal Cleaning	1:160
Heavy Duty Cleaning	1:40

TOUGH ON GREASE
GENTLE ON SURFACES
