

# M1 Restroom Cleaner

## Scale, Mineral & Stain Cleaner

For use with the ModularFlex System

### About this product

M1 Restroom Cleaner is a powerful and environmentally responsible solution for tackling soap scum, mineral buildup, and grime in restrooms. Its non-acidic formula delivers deep cleaning action without the use of harsh ingredients, making it safe for tile, grout, stainless steel, chrome, plastic, and more. Designed specifically for toilets, urinals, sinks, and showers, M1 leaves behind clean, bright, and fresh-smelling surfaces. UL ECOLOGO® certified and optimized for the ModularFlex System, it's a smart solution for high-traffic restroom maintenance.

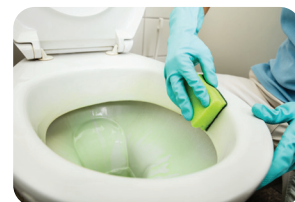

#### Powerful Restroom Cleaning

- **Limescale & Buildup Removal:** Breaks down mineral deposits, soap scum, and rust stains effectively.
- **Safe on Surfaces:** Non-corrosive to tile, grout, chrome, ceramic, plastic, stainless steel, and cement.
- **Brilliant Finish:** Leaves surfaces looking clean, bright, and refreshed.
- **Versatile Tool Compatibility:** Use with spray bottles, cloths, brushes, or mops.
- **Rapid Dwell Action:** Works in as little as 2–5 minutes on stubborn stains.
- **UL ECOLOGO® Certified:** Meets stringent environmental and health standards (UL 2759).
- **Non-Acidic Formula:** Avoids harsh fumes common in conventional restroom cleaners.
- **Designed for High-Traffic Zones:** Ideal for use in restrooms across institutional, commercial, and industrial environments.

#### Dilution rates:

Light Duty Cleaning	1:40
Normal Cleaning (Restroom surfaces)	1:20
Toilet Bowls & Urinals	1:5
