

# M6 Oxy-Q

## Hydrogen Peroxide-Based Disinfectant

For use with the ModularFlex System

### About this product

M6 Oxy-Q is a powerful, multi-purpose disinfectant, degreaser, deodorizer, and cleaner—formulated with hydrogen peroxide and quaternary ammonium compounds for superior efficacy. It breaks down grease, grime, and organic soils on contact, disinfects in a single step, and leaves surfaces fresh and clean. UL ECOLOGO® certified and DIN-approved (02464314), M6 is safe for use on most hard and soft surfaces including floors, carpets, washrooms, glass, and more. A single solution for high-touch, high-traffic environments where hygiene matters most
