

M7 Neutral Cleaner

Neutral Detergent & Ice Melt Remover

For use with the ModularFlex System

About this product

M7 Neutral is a low-foaming, pH-neutral cleaner formulated for daily maintenance across a wide range of surfaces. Its biodegradable formula removes dirt, grime, and ice melt residues without damaging finishes or leaving behind streaks. UL ECOLOGO® certified, M7 is ideal for use on sealed floors, walls, counters, and even carpets. Compatible with the Grey Eco Easy Fill station and part of the ModularFlex System, it supports safe, sustainable cleaning across commercial, institutional, and industrial environments.

Daily Cleaning, Elevated

- Safe on All Surfaces: Non-dulling formula protects floor finishes and surface integrity.
- Residue-Free Finish: Leaves behind a streak-free shine with no sticky or cloudy residue.
- Versatile Application: Can be used on floors, walls, countertops, and carpets.

Gentle but Effective

- Neutral pH Formula: Minimizes risk of surface damage or sensitivity for staff and occupants.
- Ice Melt Removal: Lifts stubborn winter residue from hard floors and entryways.
- Biodegradable & Sustainable: ECOLOGO® certified (UL 2759) for reduced environmental impact.

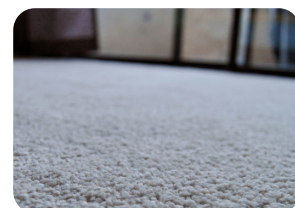

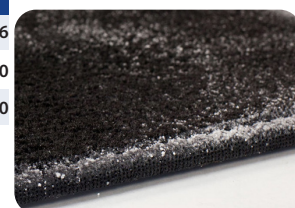

Designed for Efficiency

- Low-Foam Cleaning: Ideal for autoscrubbers and mop buckets.
- Colour-Coded Compatibility: For use with the Grey Eco Easy Fill and ModularFlex dispensing system.
