

M8 Glass Cleaner

Glass and Window Cleaner

For use with the ModularFlex System

About this product

M8 Glass Cleaner delivers crystal-clear results with every use. This non-ammoniated, biodegradable formula effectively cuts through fingerprints, smudges, and grime—leaving behind a streak-free, film-free shine. Designed for glass, mirrors, chrome, stainless steel, and other hard surfaces, M8 is safe, sustainable, and ideal for daily cleaning across commercial, institutional, and industrial environments. Compatible with the Blue Eco Easy Fill dispenser and part of the ModularFlex System

Brilliant Clarity, Zero Residue

- **Streak-Free Finish:** Leaves windows, mirrors, and counters crystal clear without haze.
- **No Ammonia, No Harsh Odours:** Safer for scent-sensitive environments and user comfort.
- **Film-Free Results:** Cleans without residue or buildup, even with repeated use.

Versatile & Surface Safe

- **Safe for Most Surfaces:** Effective on glass, porcelain, counters, chrome, stainless steel, and more.
- **Ideal for Daily Cleaning:** Use in commercial, institutional, and residential settings.
- **Low-Impact Cleaning:** ECOLOGO® certified (UL 2759) for sustainability.

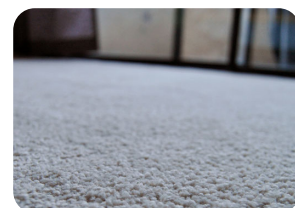

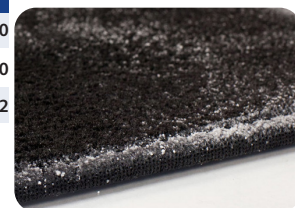

Designed for Efficiency

- **Quick-Dry Formula:** Reduces labour and leaves surfaces ready to use fast.
- **Easy to Use:** Apply via spray or cloth—no rinsing required.
- **Colour-Coded Compatibility:** For use with the Blue Eco Easy Fill station.
