

# M9 Bio-Enzyme Cleaner

## Multi-Surface Enzymatic Cleaner & Deodorizer

For use with the ModularFlex System

### About this product

M9 is a bio-enzymatic cleaner designed to break down organic soils and neutralize odours at the source. Powered by concentrated bacterial additives, this multi-surface solution tackles grease, grime, and buildup on hard surfaces, carpets, and drains. Safe on most materials and ideal for odour-prone areas like kitchens, restrooms, and garbage zones, M9 offers sustainable cleaning with long-lasting freshness. Compatible with the Grey Eco Easy Fill system, it's a smart addition to any ModularFlex setup.

#### Natural Deodorizing Power

- Odour Elimination at the Source: Breaks down malodour-causing organics using bio-enzymatic action.
- Ideal for Odour Hotspots: Use in drains, washrooms, carpets, and garbage containers.
- Longer Dwell = Greater Impact: Continues working over time to prevent recurring smells.

#### Versatile Multi-Surface Cleaning

- Multi-Purpose Solution: Functions as a degreaser, restroom cleaner, carpet spotter, and hard surface cleaner.
- Safe on Most Materials: Use on sealed floors, carpets, porcelain, chrome, plastic, and more.
- Low-Streak, Non-Toxic Formula: Delivers effective cleaning with no harsh chemicals.

#### Sustainable & Flexible

- Dilution Flexibility: Can be adapted to various cleaning tasks with excellent performance.
