

Polypower & Ultra Orange

Industrial Strength Hand Cleaners

About these products

Polypower and Ultra Orange are high-performance, industrial-grade hand cleaners designed to remove the toughest grease, oil, and grime while remaining gentle on the skin. Infused with cosmetic-grade surfactants and natural pumice, they provide deep scrubbing and effective exfoliation for thorough cleaning. Enriched with moisturizers, these cleaners help maintain skin hydration and prevent dryness. PFAS-free, phosphate-free, and pH-neutral, they deliver powerful cleaning action without irritation, making them ideal for professionals in demanding environments

- **Heavy-Duty Cleaning:** Effectively removes industrial soils, grease, and oil.
- **Skin-Safe Performance:** Cosmetic-grade surfactants and fine pumice exfoliate while remaining gentle.
- **Moisturizer-Enriched:** Helps maintain skin's moisture balance for comfort during frequent use.
- **pH-Neutral Formula:** Supports safe daily use without irritation.
- **Choice of Scents:** Ultra Orange offers a refreshing orange scent, while Polypower features a floral fragrance.
