

Power Kleen

The name says it all!

About this product

A great alternative to a butyl-based degreaser. Power Kleen's powerful formula proves that you don't need harsh chemicals to get results. This non-flammable cleaner and degreaser is a direct replacement for toxic solvents – making it safe to use around any surface without risks. This concentrated water-based degreaser can be used for breaking down oils, diesel fuels, and heavy soil build up. The versatility of this product offers endless possibilities. Carry out your cleaning using one simple, effective product that will yield the results you strive for. Lowering your cost of cleaning starts here!
