

Power Lift

Industrial Degreaser

About this product

Power Lift is a high-performance, water-based industrial degreaser formulated to tackle petroleum-based grease, oils, hydraulic fluids, and heavy grime. Its fast-acting formula penetrates and lifts soils from heavy machinery, engines, tools, rubber, metal, and other durable surfaces. PFAS-free, phosphate-free, and solvent-free, it's designed for demanding environments, delivering industrial-strength cleaning while remaining safe on a wide range of materials.

- **Powerful Degreasing Action:** Breaks down tough petroleum-based grease, oils, hydraulic fluids, and grime.
- **Fast-Acting Formula:** Penetrates and lifts soils quickly for efficient deep cleaning.
- **Multi-Surface Safe:** Effective on machinery, tools, engines, rubber, and metal without damage.
- **Industrial-Grade Performance:** Built for the toughest cleaning jobs in warehousing, construction, and automotive repair shops.
- **Eco-Responsible:** PFAS-free, phosphate-free, and solvent-free for safer use in industrial settings.

Dilution rates:

Light Duty Cleaning	1:160
Vehicle wash/Pressure wash	1:120
Medium Duty Cleaning	1:80
Heavy Duty Cleaning	1:40
Spray Bottle	1:10

**INDUSTRIAL
STRENGTH!**

Suitable for

Warehousing, construction & heavy equipment, automotive repair shops
