

Power Wash

Does all the work for you!

About this product

Pressure washers effectively remove soils from a multitude of surfaces. Power Wash works well with a pressure washer to break down and loosen tough dirt deposits, grease, oil, light rust, and road grime from most hard surfaces. Its high foaming formula clings well to vertical and hard-to-reach surfaces and allows for a prolonged dwell time. Designed for trucks and the transportation industry, it works quickly with minimum effort and is safe for all metal and painted surfaces.

- Ideal for fleet and vehicle cleaning, trucks and trailers, agricultural machinery, and heavy equipment
- No scrubbing needed
- Works great as a spray and wipe degreaser
- Safe to use on decals at any strength
- Fast acting formula cleans in no time
- Contains an additive to dissolve and emulsify rust stains
- Water-based, biodegradable, bleach and solvent free
- Ideal for awnings, concrete, vinyl, siding, fencing, etc.
- Can easily be integrated into your current power wash system
- Rinses easy and leaves no residues or film
