

# Resolve

## Cleaner & Degreaser

### About this product

Resolve is a high-performance, water-based cleaner and degreaser formulated without APEs or butyl glycol, making it safer and low-odour for industrial use. Powered by surfactant blends, it effectively breaks down petroleum-based and plant/animal-derived grease and oils, delivering fast-acting performance with low VOCs. PFAS-free and free from chlorinated solvents or petroleum distillates, Resolve is safe on metal, plastic, painted surfaces, and tools while supporting a cleaner, more hygienic environment.

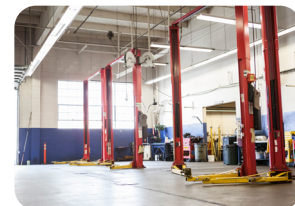

- **Fast-Acting Cleaning Power:** Quickly breaks down grease and oils for efficient results.
- **Low-Odour, Safer Use:** Formulated without APEs or butyl glycol for a safer workplace experience.
- **Multi-Surface Safe:** Effective on metal, plastic, painted surfaces, and tools.
- **Environmentally Responsible:** PFAS-free and solvent-free for reduced environmental impact
- **Industrial-Grade Results:** Built for heavy-duty cleaning in repair shops, service bays, and manufacturing facilities.

### Dilution rates:

Light Duty Cleaning	1:40
Medium Duty Cleaning	1:20
Painted walls & woodwork	1:10
Heavy Duty Cleaning	1:10
Rapid cleaning/spray & wipe	Concentrate

**INDUSTRIAL  
STRENGTH!**

### Suitable for

Automotive repair shops, service bays,  
and manufacturing facilities
