

Stainless Steel Wipes

Water Based Stainless Polishing Wipes

About this product

Stainless Steel wipes clean, polish, and protect. Pre-moisted with a water based, streak-free formula designed for the daily cleaning of appliances, stainless steel, and other metal surfaces.

These powerful polishing wipes are specially formulated to remove smudges, water stains, fingerprints, food spills, grease, and other residue while drying to a streak free shine. Wipes offer many advantages over traditional cleaning methods; one being that wipes are wetter than cloths, allowing for a longer dwell time of active ingredients, offering superior cleaning performance.

- Ideal for use by non-custodial workers
- Convenient and easy to use
- Saves considerable time cleaning
- Use on all painted and metal surfaces
- Polish and shine in one easy step

Don't forget!

Affix the rack to the wall for easy dispensing.
