

Green Kleen Industrial

Industrial Degreaser

About this product

Green Kleen is a premier industrial degreaser crafted for heavy-duty applications. It swiftly eliminates grease, oil, and grime from various surfaces, ensuring unparalleled cleaning performance. Ideal for automotive assembly lines, manufacturing facilities, heavy machinery workshops, and commercial kitchens, it enhances equipment efficiency and longevity while aligning with eco-friendly practices. This powerful solution is also available in a convenient 1L ready-to-use format, offering high efficiency, versatile applications, eco-friendly formulation, and enhanced equipment lifespan.

- **High Efficiency:** Quickly dissolves and removes tough grease and oil buildup.
- **Versatile Applications:** Ideal for machinery surfaces, industrial tools, automotive parts, floors, and carpets.
- **Eco-Friendly Formulation:** Contains biodegradable ingredients to reduce environmental footprint.
- **Enhanced Equipment Lifespan:** Helps maintain and extend the life of industrial equipment.
- **Ready-to-Use Format:** Comes in a 1L bottle, ready for immediate application.

AVAILABLE IN
1L RTU, 4L,
20L, & 210L
