

RiteFlex

Accurate dilution on the go!

About this product

The RiteFlex handheld dispenser offers a portable means of accurately diluting concentrated cleaning products to fill mop buckets, sinks, auto scrubbers, tanks and other containers. Simply attach the hose to a water source and effortlessly fill mop buckets, sinks, auto-scrubbers, or empty bottles, all without the need to hold the weight of the container. The RiteFlex can be configured to dilute at almost any rate to create a solution for an unlimited amount of cleaning tasks.

- Perfect for filling mop buckets, sinks, auto-scrubbers, tanks and other containers.
- Safe chemical handling
- Install in seconds – no mounting needed
- Environmentally conscious: designed to prevent accidental discharge of chemicals
- Eliminates spills that could be dangerous to the user
- Guaranteed measurements improve overall product performance
- Ergonomically designed for safety and productivity with one-handed operation
- Requires minimal training, for faster and easy adoption

Available Dilutions

Colour	Dilution	Compatibility
Red	1:10	Azure, +
Gold	1:20	Oxy D.S.T., Bio-Bac II, Restore, Time-Out Plus, Oxy-Q, +
Orange	1:40	Oxy D.S.T., Bio-Bac II, Emerald, +
Dark Blue	1:64	HealthGuard +
Teal	1:80	Quat Plus, Vanguard, Film Away, Oxy-Q, +
Purple	1:120	Excelsior, Eco-Expert, Emerald, +
Yellow	1:256	M5, Vanguard 256, Excelsior, Oxy-Q,

No Cross-Contamination!

The dilution tip is inserted in the hose rather than the RiteFlex unit itself, so having multiple hoses allows the operator to dilute multiple products at once without mixing chemicals!
