

Surface Kleen Plus

Efficient degreasing action — easy rinse

About this product

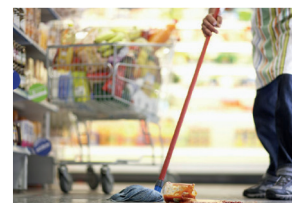

A highly effective all-purpose cleaner and degreaser, specifically formulated for food industry. Its safe yet powerful formula easily cuts through grease, oil and soils and can be used in almost every cleaning application. Its butyl-free formula allows you to clean without the health concerns and it contains no solvents. Rich foam clings to vertical surfaces for faster, more thorough cleaning.

- Formulated for the food industry
- Outstanding performance
- Works great in cold water
- Easy to rinse
- No loss of performance in hard water
- Apply with mop, sponge, spray or auto-scrubber
