

Letter of Guarantee

This letter is being provided for the below listed non-food chemical product in accordance with the requirements of the Food Safety Enhancement Program of the Canadian Food Inspection Agency (CFIA).

Product Name: Stainless Steel Cleaner

Product Number: 50172

Letter of Guarantee issued by: Dustbane Products Limited

Date of Issue: March 27, 2023.

Product Use:

This product is safe and suitable for use in food establishments as a disinfectant (L1) on all surfaces always requiring a rinse in and around food processing areas, where its use is not intended for direct food contact. Its use is limited to non-processing areas where there is no possibility of solvent vapors entering a processing area. Food processing equipment or utensils treated with this product must be washed with an acceptable detergent solution and thoroughly rinsed with potable water before returning to a processing area. Before using this product, food products and packaging materials must be removed from the area or carefully protected. This product must be used in a manner so that all odors associated with the compound are dissipated before food products or packaging materials are re-exposed in the area. For product usage instructions, please see the product label. Dustbane will provide supporting documentation if requested by CFIA.

Sincerely,
