**Product Name:** Tradition  
**Product Code:** 50220, 50222  
**Date of Issue:** November 10, 2021

## Product Use:

This product is safe and suitable for use in food establishments as a hand cleaner (C2). The compound must be dispensed from adequate dispensers located a sufficient distance from the processing line to preclude accidental product contamination. After the use of the compound, the hands must be thoroughly rinsed with potable water. Under condition of use, there can be no odour or fragrance left on the hands.

This letter is being provided for the above listed non-food chemical product in accordance with the requirements of the Food Safety Enhancement Program of the Canadian Food Inspection Agency (CFIA). Copies of this letter and additional product information are available on our website.

Dustbane Products Ltd. will provide supporting documentation if requested by CFIA.
