

Eco-Expert

Carpet Cleaner

Applications:

For use on all types of carpeting, especially where there is heavy traffic. Recommended for use on colourfast fabrics only. To test for colourfast fabrics, apply in a hidden area. Using a clean white cloth, wipe solution into fabric. If no colour is removed, proceed with cleaning. For best results, pre-vacuuming is always recommended. Dilute with unheated tap water according to the dilution rates listed below and follow operation instructions as listed on equipment. Vacuum carpet after it dries to remove encapsulated soil residue.

Benefits:

- Low foaming formula
- Compatible with all carpet cleaning equipment
- Can be used as a bonnet cleaner
- Versatile – great carpet cleaner or stain remover
- Contains no harsh ingredients to harm delicate fibres
- Low pH
- Multiple dilution combinations

Specifications:

Colour	Green
