Automatic Air Freshener System

Applications:

The automatic air freshener dispenser can be mounted on the wall with screws, taped or even sit anywhere above human height. Hang approximately 6 ft. high in the center of the space; no need for a ladder. Perfect for spaces without available outlets. It runs with a battery and needs a fragrance refill to work. Battery not included with the dispenser, but is included with the dry fragrance refill pack.

Benefits:

- Innovative fresh fan technology
- Dry fragrance, no sticky residue
- Eco-friendly, VOC compliant
- Evenly distributed fragrance vs metered aerosols
- Refill reminder
- Sleek design
- Premium fragrances
