

Complex Orange

Industrial Degreaser

Applications:

A water-based industrial degreaser designed for challenging cleaning environments. Complex Orange penetrates and emulsifies stubborn soils, providing deep-cleaning results even in the presence of hard water. Safe for use on metal, concrete, tile, rubber, and other durable surfaces.

Dilute according to the rates below and apply using a mop, auto-scrubber, or spray bottle. Maintain surface wetness during dwell time for optimal results.

Ideal for use on:

- **Automotive Repair Shops & Mechanics:** Removes grease, oils, and dirt from tools, engines, and work areas.
- **Service Bays:** Cleans and restores heavily soiled floors and equipment.
- **Manufacturing Facilities:** Penetrates and lifts stubborn grime from machinery, concrete, tile, and rubber surfaces.

Features and benefits:

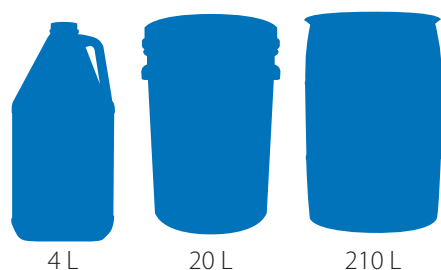

- High-performance cleaning for petroleum-based and plant/animal-derived grease and oils
- Effective in hard water conditions for consistent results across various sites.
- Biodegradable surfactants leave surfaces clean and residue-free without solvents or PFAS.
