

Green Kleen Industrial RTU

Industrial Degreaser - Ready to Use

Applications:

A ready-to-use, heavy-duty industrial cleaner and degreaser designed to penetrate and emulsify stubborn soils, including grease, oils, and cutting or cooling fluids. Ideal for multi-surface use in automotive, manufacturing, and heavy equipment environments. Spray directly onto soiled area and allow to dwell according to soil level before agitating and rinsing.

Ideal for use on:

- **Automotive Assembly Lines:** Cleans machinery, tools, and parts to maintain operational efficiency.
- **Manufacturing Facilities:** Removes grease, oil, and coolant residues from work surfaces and equipment.
- **Heavy Machinery Workshops:** Degreases engines, tools, and shop floors.

Features and benefits:

- Ready-to-use formula — no dilution required, ensuring consistent results.
- High-performance degreasing for petroleum-based and plant/animal-derived soils.
- Safe on multiple surfaces including hard floors, carpet, fabric, rubber, metal, and matting.
- Non-corrosive, PFAS-free, phosphate-free, low VOC, and biodegradable.
