

# M11 Degreaser

## Hard Surface Cleaner & Degreaser

### Applications:

A powerful degreaser formulated to deliver quick, safe, and effective removal of grease and buildup. M11 Degreaser is ideal for use in food service, commercial, and industrial environments, providing strong cleaning without corrosion or damage to surfaces.

Dilute according to the rates below and apply with a mop, spray bottle, autoscrubber, cloth, or sponge. Rinse thoroughly if used on food contact surfaces.

### Ideal for use on:

- **Floors:** Cuts through grease and grime without damaging finishes.
- **Food Service Areas:** Safe and effective for cleaning equipment and hard surfaces.
- **Industrial & Commercial Settings:** Removes heavy buildup from machinery and workspaces.

### Features and benefits:

- Heavy-duty, non-corrosive degreasing power for stubborn grease, oil, and grime.
- Rinse-free performance reduces labour and saves time.
- Biodegradable formula safe for multiple environments.
- UL ECOLOGO certified for reduced environmental impact.
