

M9 Bio-Enzyme Cleaner

Multi-Purpose Cleaner, Degreaser & Deodorizer

Applications:

A powerful multi-purpose cleaner designed to tackle grease, grime, and organic buildup. M9 Bio-Enzyme Cleaner penetrates and digests soils while neutralizing odours, making it ideal for kitchens, washrooms, carpets, drains, and waste areas. Dilute according to the rates below and apply with a mop, spray bottle, autoscrubber, extractor, or cloth. Allow proper dwell time for optimal results.

Ideal for use on:

- **Kitchens & Restaurants:** Breaks down grease and organic soils in food prep areas.
- **Washrooms & Drains:** Eliminates odours and buildup from organic waste.
- **Carpets & Fabrics:** Safe as pre-spray, spot remover, or extractor solution.
- **Dumpsters, Garbage Containers & Grease Traps:** Controls odours and keeps surfaces clean.

Features and benefits:

- Bio-enzymatic action breaks down organic soils and eliminates odours at the source.
- Versatile performance — cleans, degreases, and deodorizes in one product.
- Safe on most surfaces including hard floors, carpets, and fabrics
- UL ECOLOGO certified for reduced environmental impact.
